- **Formats:** Paperback & Ebook
- **Trim:** 6 x 9 inches / 15 x 23 cm
- **Page Count:** 107 pages
- **Publication Date:** June 30, 2025

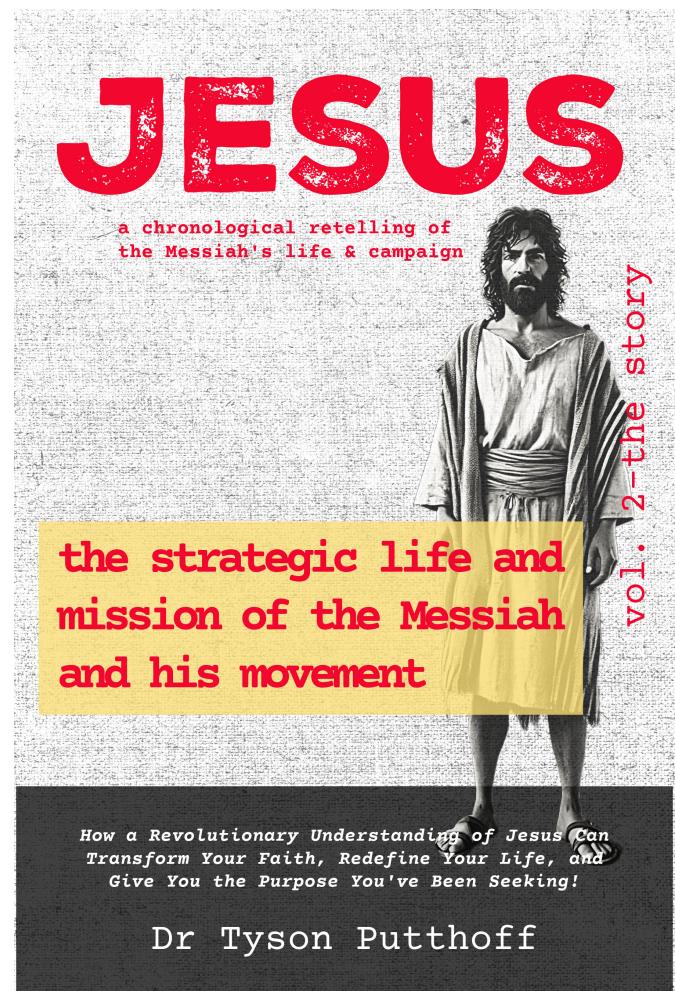

BOOK DESCRIPTION

This second of three volumes retells the life and campaign of Jesus in a vivid narrative format, following the same 28 chronological scenes introduced in Volume 1. Blending historical detail with storytelling, it brings the Gospels to life against their first-century social, cultural, and political backdrop. Jesus emerges as a radical teacher and strategist whose actions inspired hope for the marginalized and resistance to oppressive power. With its accessible style and historical grounding, this work offers fresh insight and engagement for scholars, pastors, and everyday readers alike.

ABOUT THE AUTHOR

Dr Tyson Putthoff (PhD, Durham) is a university lecturer (Univ. Oklahoma) and the host of the popular podcast *What the Bible Actually Says*.

He is the author of multiple books, including *Ontological Aspects of Early Jewish Anthropology* (Brill, 2017), *Gods and Humans in the Ancient Near East* (Cambridge, 2020), *I, Monster* (Hekhal, forthcoming 2026), *You Are God's Body* (Hekhal, forthcoming 2026), and *Revolt* (Hekhal, forthcoming 2027).
