- **Formats:** Paperback & Ebook
- **Trim:** 6 x 9 inches / 15 x 23 cm
- **Page Count:** 107 pages
- **Publication Date:** May 30, 2025

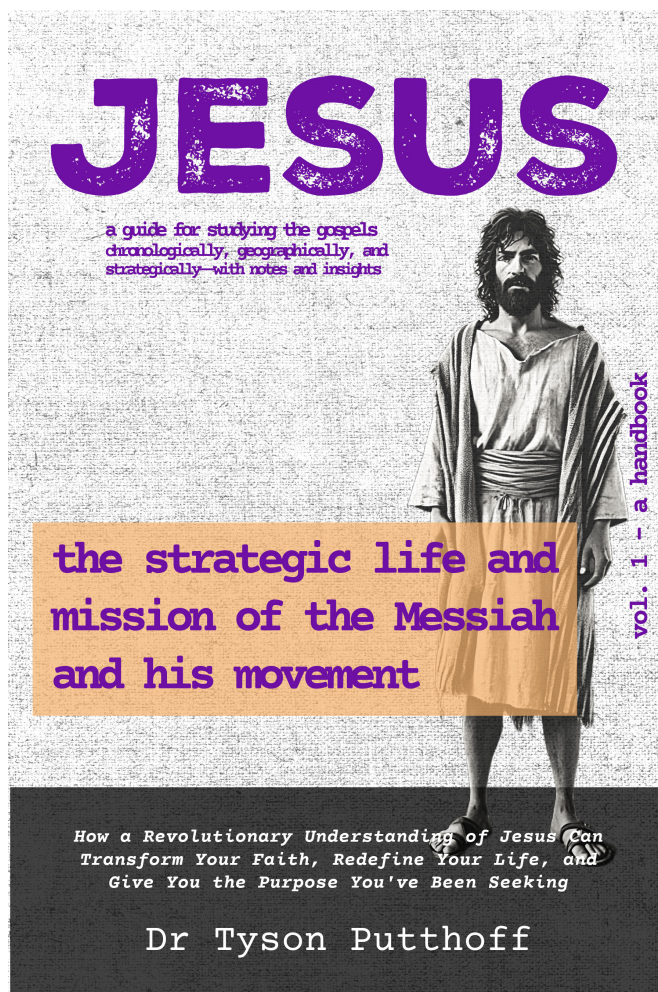

BOOK DESCRIPTION

This first of three volumes traces the life and campaign of Jesus from birth to ascension, organized into 28 chronological scenes. Drawing from the Gospels within their historical, social, and political contexts, this volume presents Jesus as a subversive and strategic leader who challenged empire, redefined power, and launched a revolutionary movement. With emphasis on historical Jesus studies and the disruptive nature of his message, this work invites fresh engagement for scholars, pastors, and everyday readers alike.

ABOUT THE AUTHOR

Dr Tyson Putthoff (PhD, Durham) is a university lecturer (Univ. Oklahoma) and the host of the popular podcast *What the Bible Actually Says*.

He is the author of multiple books, including *Ontological Aspects of Early Jewish Anthropology* (Brill, 2017), *Gods and Humans in the Ancient Near East* (Cambridge, 2020), *I, Monster* (Hekhal, forthcoming 2026), *You Are God's Body* (Hekhal, forthcoming 2026), and *Revolt* (Hekhal, forthcoming 2027).
